Good morning, Mark.
Attached are a couple of pictures from the crew running the new service into the Admin Building last night. They did an outstanding job and it was a pleasure to watch a crew that is so talented perform their work. Their skill, efficiency, hard work and can do attitude are much appreciated.
To me, it was no less of an evening than you would see at a world class ballet performance.
Please pass on our thanks and compliments to Nick and his crew.
Take care. John.
