Re: Creek Street Cabaret, #4799

Dear Licensee:

At the June 28, 2022, meeting of the Alcoholic Beverage Control Board in Nome, Alaska, the board upheld the protest of the license renewal application by the City of Ketchikan, and denied the application with a 180-day abeyance. This means that the City of Ketchikan must withdraw its protest of your license application by January 1, 2023; otherwise the application is denied. The city protested the application due to pending violations from the Ketchikan Fire Department.

If the protest is lifted by the deadline, your license application is approved with delegation, meaning the it can be effectuated as soon as all outstanding approvals are received.

Please contact [alcohol.licensing@alaska.gov](mailto:alcohol.licensing@alaska.gov) with any questions.

Respectfully,

A handwritten signature in black ink that reads "Carrie Craig".
