

April 5, 2023
Regular City Council Meeting

TO: Mayor and Councilmembers
FROM: Councilmember Kistler
SUBJECT: Ketchikan Visitors Bureau Committee Report

The Visitors Bureau is in the final stages of hiring a new Executive Director. The two finalists will be flying in for in-person interviews on Friday, and the board will be voting on the recommendations of the hiring committee that evening. The current director, Patti Mackey, has graciously offered to extend her employ on an as-needed basis for the next two months.

The TBMP committee has submitted a job description for a part-time TBMP Director in hopes that it will be funded through the KGB. Final communications are being written with plans for a pre-season meeting this month.

Respectfully,

Lallette Kistler
