

h. Disposition of Surplus Patrol Vehicle 52-217 via Auction

TRANSMITTAL MEMORANDUM

5h

TO: The Honorable Mayor & City Council

FROM: Delilah A. Walsh, City Manager

Initials:

DATE: February 28, 2024

File #: MGR24-107

RE: **Disposition of Surplus Police Vehicle 52-217 via Auction**

The motion detailed below was prepared at the request of Deputy Police Chief Eric Mattson, who asked that it be placed before the City Council for consideration at its meeting of March 7, 2023. If adopted, the motion provides for declaring police vehicle 52-217 as surplus and authorizing disposal via auction.

This action is pursuant to Ketchikan Municipal Code (KMC) Section 3.12.070(b). The rationale for disposition is detailed in Deputy Chief Mattson's transmittal memorandum and requires no further elaboration by my office. As the cost of repairs exceeds the value of the vehicle, and 52-217 was scheduled for retirement/replacement in 2024, I concur with the Deputy Chief's recommendation.

A motion has been prepared for City Council consideration.

Recommended Motion: Pursuant to Section 3.12.070(b) of the Ketchikan Municipal Code, I move the City Council declare police vehicle 52-217 as surplus; and authorize the City Manager to dispose of these items via auction on behalf of the City Council.

KETCHIKAN POLICE DEPARTMENT

361 Main Street
Ketchikan, Alaska 99901

Fax (907) 247-6631

TO: Delilah Walsh, City Manager
FROM: Eric Mattson, Deputy Chief
DATE: February 26, 2024
RE: Surplus equipment

The purpose of this memorandum is to seek permission to surplus patrol vehicle 52-217, a 2013 Ford Explorer that was involved in motor vehicle collision. Ketchikan Municipal Code (KMC) 3.12.070(b) requires city council approval to surplus equipment with a value more than \$2,000.00.

Background

On 11/28/2023, officers responded to a call of service that involved a speeding 4-wheeler. An officer attempted to conduct a traffic stop on the 4-wheeler, but the driver failed to stop at the direction of a peace officer. The patrol vehicle's lights and sirens were activated as the officer attempted to stop the other driver. The officer hit a patch of ice while cornering an intersection, slid off the road and struck a boulder rendering the vehicle inoperable.

City Shop personnel estimated the value of the patrol vehicle, in clean condition, at approximately \$9,200.00. A quoted estimate from a local body shop to repair this vehicle was \$11,601.05.

Vehicle 52-217 is one of the oldest vehicles in the patrol fleet and was due to come out of rotation in 2024 with the arrival of the new replacement vehicles.

KMC 3.12.070(b) Sale or other disposition of personal property, or interest therein.

Subparagraph (b) states the following:

No supplies, materials, equipment or other personal property of a value of more than \$2,000 other than scrap metal may be sold or otherwise disposed of until the council has declared, by motion or resolution, such property surplus,

obsolete, unneeded, or that the transaction is otherwise in the best interest of the city.

It is my recommendation vehicle 52-217, not be repaired and be approved for surplus and sold at auction in its current condition.

Recommended Motion:

Pursuant to KMC 3.12.070(b), I move the City Council authorize the City Manager to surplus patrol vehicle 52-217 for sale at auction.
