TRANSMITTAL MEMORANDUM

TO: The Honorable Mayor & City Council Initials: 

FROM: Lacey G. Simpson, Assistant City Manager File #: MGR24-648

DATE: October 29, 2024 Mtg. #: 11/07/24 CAd

RE: **Authorizing the Procurement of Body Worn Camera Devices and Licensing and Maintenance Services – Axon Enterprise, Inc.**

The motion detailed below was prepared at the request of Acting Police Chief Eric Mattson, who asked that it be placed before the City Council for consideration at its meeting of November 7, 2024. If adopted, the motion provides for authorizing the procurement of body worn cameras (BWCs) and an associated 60-month licensing and maintenance services agreement for the Police Department – Operations Division from Axon Enterprises, Inc. at a cost not to exceed \$40,000 annually.

The rationale for the equipment and services purchase is detailed in Acting Chief Mattson’s transmittal memorandum and requires no further elaboration on the part of the City Manager’s office. The purchase is exempt from competitive bidding or quotations pursuant to subparagraph 6 of Section 3.12.050(a) of the Ketchikan Municipal Code (KMC) in order to avoid incompatibility issues but requires City Council approval as the cost exceeds \$10,000. Additionally, funds were allocated for this purchase, and no additional funding is being requested. I concur with the Acting Chief’s recommendation.

A motion has been prepared for City Council consideration.

**Recommended Motion:**

Pursuant to subparagraph 6 of Section 3.12.050(a) of the Ketchikan Municipal Code, I move the City Council approve the procurement of body worn cameras with Axon Enterprise, Inc.; authorize the City Manager to enter into a 60-month agreement for the annual licensing and maintenance services with Axon Enterprise, Inc. in an amount not to exceed \$40,000 per year; and authorize funding from the Police Department - Operations Division’s 2024 Software and Equipment Maintenance Services account (Account No. 635.04).

## MEMORANDUM

TO: Delillah Walsh, City Manager  
FROM: Eric Mattson, Acting Police Chief  
THRU: Michelle Johansen, Finance Director  
DATE: October 21, 2024  
RE: **Proposal for Contract Approval with Axon Enterprise, Inc.**

---

This memorandum is intended to inform the City Council about a proposed 60-month contractual agreement between the City of Ketchikan and Axon Enterprise, Inc. We request that the City Manager seek the Council's approval to authorize this contract. The budget for the contract's first year has already been allocated within the 2024 Operations Division budget.

### **Background**

Axon Enterprise, Inc. offers a 60-month financing program for acquiring Body Worn Cameras (BWCs), addressing the significant capital outlay associated with outright purchases by individual departments. The Ketchikan Police Department (KPD) has been leveraging this financing structure for our current Taser equipment through Axon. This agreement enables the City of Ketchikan to forgo any upfront expenditures related to the BWCs, resulting in an annual cost savings of approximately \$8,000, totaling \$40,000 over the contract's duration. Additionally, this program ensures that the BWCs are covered by warranty and includes provisions for scheduled camera replacements throughout the contract term.

The Body-Worn Cameras (BWCs) utilized by the Ketchikan Police Department are proprietary devices developed and sold by Axon Enterprise, Inc. Officers receive specialized training on their operation and are required to wear them while on duty to document police encounters effectively. The BWCs are integrated with our evidence management system, allowing for seamless uploading of recorded footage to our Evidence.com account managed by Axon. Notably, our Taser systems interface with these cameras; activating the Taser triggers the BWC to record, enhancing safety measures for the community and law enforcement personnel.

In accordance with our current infrastructure and the Ketchikan Municipal Code Section 3.12.050(a)(6), I propose that we present this matter to the City Council. The recommendation is to approve the payment for the quote provided and enter a 60-month contract for the BWCs.

The acquisition is exempt from the competitive bidding process as outlined in subparagraph 9 of Section 3.12.050(a)(6)(A) of the Ketchikan Municipal Code. However, since the total exceeds \$10,000, approval from the City Council is required.

Subparagraph (6) states the following:

"Supplies, materials, equipment or contractual services which should be purchased from a specific source to prevent incompatibility with previously purchased supplies, materials, equipment or contractual services. For purposes of this subparagraph, the term "incompatibility" is defined as:

- (a) The inability to interconnect, combine, interchange, or join; or
- (b) That which causes substantial duplication in maintenance, expertise, or training or in the stocking of parts, materials, supplies or replacements.

Any purchase which is to be excluded from competitive bidding by the authority of this subparagraph which exceeds ten thousand dollars must first be approved by the Council."

### **Recommended Motion**

Following subparagraph 6 of Section 3.12.050(a) of the Ketchikan Municipal Code, I propose that the City Council approve the procurement of body-worn cameras from Axon Enterprise, Inc. Additionally, I recommend granting the City Manager the authority to execute a 60-month contract for annual licensing and maintenance services with Axon Enterprise, Inc., with a total expenditure not to exceed \$40,000 annually. Funding for this contract will be sourced from the Operations Division's 2024 Software and Equipment Maintenance Services Account No. 635.04.
